

City National Online[®] Access Agreement & Disclosure

Effective Date: May 25, 2021

I. Description of Agreement

A. What it Covers

This Agreement governs your online access to certain of your accounts with us to view information and conduct certain transactions as described below, using the CNB Online Banking Service, the CNS Online Brokerage Service, the CNB Online Trust and Investment Service, the Direct Connect with Quicken Service or any other service we may from time to time make available to you (each a "Service" and together the "Services"). In this Agreement, the following words have the following meanings:

- "CNB" means City National Bank, a national banking association;
- "CNS" means City National Securities, Inc.;
- "We," "us," "our" mean CNB, CNS and their respective affiliates, agents (including any third-party service provider) and successors or assigns;
- "You" or "your" mean each person or business having an interest in an account accessible using a Service and any person authorized for access;
- "Business Day" means any day other than a Saturday, Sunday or holiday when we are closed.

B. Accepting the Agreement and Amendments

When you enroll in and use a Service described in this Agreement, or authorize others to use a Service to conduct transactions on your accounts, you agree to the terms and conditions of the Agreement associated with such Service. We may at any time change the terms and conditions stated in this Agreement (including changes in the fees and charges hereunder, adding new terms or conditions or deleting existing terms and conditions). We will provide you notice of any changes as required by law. We may, but do not have to, notify you of any change if we determine in good faith that the change is beneficial to you or is made for security reasons. Notice of any change may be provided by mailing notice to you at the address in our records (including with your account statement), posting notice on our website, providing notice through our online banking service, or otherwise making it available to you. For multi-owner accounts, notice to one owner is notice to all owners. If there is a change to the Agreement and you (or the persons acting on your behalf) continue to maintain or use the account(s) or service(s) after the change, you will be deemed to have agreed to the change. Do not use any of the Services if you do not accept and agree to be bound by all of the terms and conditions of this Agreement or any amended Agreement.

You understand that we may contact you by mail, courier, phone (whether mobile or landline), fax, email, text message, or through our online banking service or mobile banking. You should promptly notify us of any changes to your contact information (e.g., address, phone number, email, etc.).

For example, when you use the CNB Online Banking Service to access a savings account, you do so under the terms and conditions we gave you in the Account Agreement and Disclosures for the savings account. You should review these other agreements and their applicable Fee Schedules for any applicable fees. Each Service is also subject to any terms and instructions that appear on the monitor, screen or other visual display when enrolling for, activating, accessing and/or using the Service.

You should also review these agreements for any limitations on the number of transactions you can conduct on an account and for other restrictions that may impact your use of an account. Capitalized terms not defined in this Agreement are defined in the Other Agreements, as applicable.

Access to your accounts through the Services is provided to you by us through cnb.com or other CNB-related websites. Your use of cnb.com or CNB-related websites is governed by the Terms and Conditions For Use appearing on cnb.com.

III. General Terms and Conditions

A. Authorization of Fees and Charges; Responsibility for Transactions

You agree to properly maintain all accounts you have with us, to comply with the rules governing these accounts, and to pay any fees associated with the use or maintenance of these accounts. Specifically, you agree to the following:

1. Authorization to Charge Account - When a Service generates items to be charged to your primary CNB Online Banking Service deposit account or any other deposit account of yours, you agree that we may debit such account notwithstanding any signature restrictions or multiple signature requirements under the applicable account agreement, and without prior notice to you. If you need to maintain the signature restrictions or multiple signature requirements, you cannot use the Service for that account. Your decision to use the Service waives these signature restrictions or multiple signature requirements for that account.

2. Fees and Charges - All fees and charges related to any account you access with a Service as stated in the applicable Fee Schedule for the account will remain in effect when using such Service.

3. Your Responsibility in Case of Unauthorized Transactions - Notify us AT ONCE by telephone if you believe any of your accounts have been accessed, your password has been obtained, or electronic transactions have been processed without your permission. You could lose all the money in your account plus available credit on your overdraft line (if you have one). If you at any time think your password has been compromised, change it immediately online. You should then verify that no unauthorized transactions occurred on your account. We reserve the right to amend or change existing password guidelines in our sole discretion and without notice, and you agree to comply with any amended or changed password guidelines the next time you access a Service. You are responsible for the security and use of your user ID and password. You may provide access to a Service to your agent. You (and each agent authorized for access) agree to keep your user ID and password secure and confidential. If you choose to disclose your user ID and password to another individual, you are authorizing that person to do anything that you can do with the Service at any time. In the event of unauthorized use of your user ID and password, you may be liable for resulting losses, to the extent permitted by law. Only you may receive support for user ID and password changes or logon issues. For additional information regarding unauthorized transactions and our respective obligations and liabilities, please review the Consumer Electronic Fund Transfer Agreement and Disclosure or the Business Electronic Fund Transfer Agreement and Disclosure, as applicable.

B. Equipment and Software

To access and use the Services, you must have your own Internet Service Provider ("ISP") or other means of accessing the Internet, the necessary computer equipment, and a compatible browser supporting 128-bit encryption. For a complete description of the minimum hardware and software requirements to access and use the Services, visit [City National Online FAQs](http://cnb.com) at cnb.com. We do not endorse or provide an ISP or other means of accessing the Internet. If you obtain an ISP or other means of accessing the Internet, you may incur charges from your ISP or other Internet access provider. We are not responsible for the actions or inactions of your ISP or other Internet access provider. Software, ISP, or other Internet access provider requirements may change from time to time and may affect your ability to access the Services. We are not responsible for any error, failure, or malfunction of your computer or software, or for any computer virus or related problem that may occur with your use of the Services. We are not responsible for any security breach, compromise, intrusion, misuse and/or, failure on or involving your firewall, computer hardware, computer software, computer network and/or systems, and/or any other hardware and/or software (collectively, your "Computer System") through which you access the Services, including, without limitation, any virus, worm, Trojan

horse, malware, spyware, or other similar harmful or malicious software, program, or application on your Computer System. Furthermore, we are not liable for (a) any unauthorized access to your accounts via the Services, (b) any unauthorized transactions that may occur on your accounts and/or (c) any losses, damages, liabilities, costs, and expenses (including attorney's fees) (collectively, "Losses") to you arising by reason and/or as a result of any such security breach, compromise, intrusion, misuse, and/or failure of your Computer System.

EXCEPT AS OTHERWISE EXPRESSLY PROVIDED IN THIS AGREEMENT, YOU UNDERSTAND AND AGREE THAT YOUR USE OF THE SERVICES IS AT YOUR SOLE RISK AND THAT THE SERVICES AND ANY INFORMATION, COMPUTER EQUIPMENT AND COMPUTER SOFTWARE MADE AVAILABLE TO YOU FOR USE IN CONNECTION WITH THE SERVICES, IS PROVIDED ON AN "AS IS," "WHERE IS," AND "WHERE AVAILABLE" BASIS, AND ARE SUBJECT TO CHANGE AT ANY TIME WITHOUT NOTICE TO YOU. YOU HAVE KNOWLEDGE THAT WE MAKE NO WARRANTY THAT THE SERVICES WILL BE UNINTERRUPTED, TIMELY, SECURE, OR ERROR-FREE UNLESS OTHERWISE EXPRESSLY STATED IN THIS AGREEMENT. TO THE FULLEST EXTENT PERMITTED BY LAW, WE DISCLAIM ALL REPRESENTATIONS, WARRANTIES, AND CONDITIONS OF ANY KIND (EXPRESS, IMPLIED, STATUTORY, OR OTHERWISE, INCLUDING, BUT NOT LIMITED TO, THE WARRANTIES OF MERCHANTABILITY, FITNESS OR SUITABILITY FOR A PARTICULAR PURPOSE, TITLE, AND NON-INFRINGEMENT OF PROPRIETARY RIGHTS) AS TO THE SERVICES AND ALL INFORMATION, COMPUTER EQUIPMENT AND COMPUTER SOFTWARE INCLUDED IN OR ACCESSIBLE FROM THE SERVICES. NO LICENSE TO YOU IS IMPLIED IN THESE DISCLAIMERS.

C. Security Guidelines

You agree to maintain and regularly update the security of your Computer System using anti-virus software programs and other deterrent systems reasonably necessary to prevent unauthorized access to your Computer System. You agree to take reasonable precautions to prevent the introduction of any disabling procedures (including but not limited to software lock, malicious logic, worm, Trojan horse, bug, time bomb, etc.) into your software or our software. You are responsible for your failure to maintain or update the protection of your Computer System and we shall not be liable to you for any loss arising by reason of your failure to do so.

Without limiting this provision in any way, you acknowledge and agree that the Services require you to communicate with us via electronic mail, the Internet, and/or other electronic means and that such communications could fall victim to interception and/or access by unauthorized third parties. We require you to utilize prudent and reasonable computer hardware and software security measures and Security Items (as hereinafter defined) and to follow certain minimum security practices and procedures ("Security Practices and Procedures") in order to reduce the risk of unauthorized access to and use of your accounts via the Services by third parties. YOU ACKNOWLEDGE AND AGREE THAT YOUR FAILURE TO UTILIZE SUCH COMPUTER HARDWARE AND SOFTWARE SECURITY MEASURES AND SECURITY ITEMS AND/OR TO FOLLOW SUCH SECURITY PRACTICES AND PROCEDURES SHALL RELIEVE US OF ANY LIABILITY TO YOU FOR UNAUTHORIZED ACCESS TO AND/OR USE OF YOUR ACCOUNTS OR UNAUTHORIZED TRANSACTIONS INITIATED ON YOUR ACCOUNTS THROUGH THE SERVICES.

In order to maintain secure communications and reduce fraud, you agree to protect the security of your username, personal identification numbers, passwords, codes, marks, signs, public keys, or other means of identification (each, a "Security Item" and collectively, "Security Items") to access and/or use your accounts via the Services. Among other things, you agree to maintain and regularly update the security of your Computer System through which you access the Services, including, without limitation, by installing, maintaining, and regularly updating antivirus and antispyware identification and removal software. You shall take all commercially reasonable precautions to prevent the introduction of any disabling procedures (including, but not limited to, a software lock, malicious logic, worm, Trojan horse, bug, or time bomb) into your software or our software that might disrupt our equipment or software, or the equipment or software of other users of the Services. We reserve the right to block your access to the Services in order to maintain and/or restore security to the Services, cnb.com (and/or CNB-related websites), and/or any other CNB systems if we believe in our sole and absolute discretion that any of

your Security Items has been or may be obtained, or is being used or may be used, by any unauthorized person.

YOUR FAILURE TO INSTALL, MAINTAIN, AND/OR REGULARLY UPDATE ANTIVIRUS AND ANTISPYWARE IDENTIFICATION AND REMOVAL SOFTWARE SHALL RELIEVE US FROM RESPONSIBILITY FOR ANY LOSSES TO YOU ATTRIBUTABLE TO SUCH FAILURE, EXCEPT AS MAY OTHERWISE BE REQUIRED BY LAW.

WE STRONGLY RECOMMEND THAT ALL CLIENTS MAINTAIN REASONABLE INTERNAL CONTROLS. IF YOU ARE A BUSINESS CLIENT, YOU ARE REQUIRED TO MAINTAIN COMMERCIALY REASONABLE INTERNAL CONTROLS, INCLUDING, BUT NOT LIMITED TO, SEGREGATION OF CERTAIN DUTIES, SUCH AS ACCOUNTS PAYABLE AND ACCOUNTS RECEIVABLE, TO HELP PREVENT THE MISUSE OF YOUR ACCOUNTS. WE SHALL NOT BE LIABLE TO YOU FOR ANY LOSSES ARISING BY REASON OF YOUR FAILURE TO MAINTAIN THE SECURITY OF YOUR COMPUTER SYSTEM AND YOUR INTERNAL CONTROLS.

You agree that complying with the Security Practices and Procedures shall not relieve you of your obligation and responsibility to exercise independent judgment about security and additional steps or procedures needed to prevent cyber fraud, unauthorized access to, and/or use of your accounts via the Services. Accordingly, you agree to take all additional commercially reasonable security measures in using the Services as circumstances may dictate over time. You further agree to take all commercially reasonable security measures necessary to prevent disruption to the operations of CNB's computer systems and the Services.

D. Security Items and Account Maintenance

We may require that you initiate or authenticate transactions under the Services, including but not limited to transactions involving the deposit or the withdrawal of funds from any deposit account maintained with us, using one or more Security Items. The account transactions that you initiate or authenticate through the Services using one or more Security Items shall be deemed authorized transactions, and we are entitled to rely upon the Security Item or Security Item(s) provided to us in accordance with the agreed Security Practices and Procedures to initiate or authenticate each such transaction **without regard to the signing authority on the account.**

You are responsible for maintaining the confidentiality and security of your Security Items that we may require you to use and the security instructions we may require you to follow in connection with the Security Practices and Procedures, and you are responsible for the use and safeguarding of such Security Items.

For business clients, if required for your access to or use of a Service, you shall appoint an account administrator or contact person authorized to act on your behalf in assigning Security Items and functionality and in originating or confirming instructions for a Service. If permitted for a Service, you may appoint more than one account administrator.

You agree to retain exclusive control of the Security Items and not to disclose the Security Items and security instructions to any person or entity except, as applicable, to your authorized personnel with a need to know. You shall adhere to the Security Practices and Procedures regarding Security Items that we provide you from time to time. You agree to train employees, as applicable, regarding the risks associated with the sharing, disclosure, and handling of Security Items and security instructions (including, but not limited to, sharing with other employees, if any) and will maintain procedures to prevent unauthorized disclosure and use of Security Items and security instructions. Your failure to provide such training and/or maintain such procedures shall relieve us of liability for losses relating to your account (including, without limitation, any loss of funds deposited [or intended to be deposited] therein) to the extent that such failure contributes to the loss.

If a third party by whatever means obtains one or more of your Security Items, CNB is authorized to rely upon and assume without further inquiry that the party is authorized to do anything that you can do with the Security Item at any time. We are not liable for any Losses arising from the use of your Security Items by any such third party whether the use is within the scope of your intended authorization or not. **FAILURE TO PROTECT SECURITY ITEMS MAY ALLOW AN UNAUTHORIZED PERSON ACCESS TO YOUR ACCOUNTS AND/OR YOUR INFORMATION RELATING TO THEM, AND ENABLE THAT**

UNAUTHORIZED PERSON TO CONDUCT TRANSACTIONS ON YOUR ACCOUNT. TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW, YOU AGREE TO ASSUME FULL AND COMPLETE LIABILITY ARISING FROM UNAUTHORIZED USE OF SECURITY ITEMS.

If any Service is terminated for any reason, you will, with respect to that Service: (i) immediately cease using the related Security Items; and (ii) return to us all related Security Items and security instructions we provided to you or, at our option, destroy any related Security Items and security instructions. You will advise us at once in the event you believe a Security Item or security instruction has been compromised by unauthorized disclosure. You understand that actions not part of our Security Practices and Procedures that we may take to detect an erroneous transaction or unauthorized request or instruction are determined at our sole discretion. Such actions shall not be deemed a part of our Security Practices and Procedures and we are not liable to you if we do not use such actions or any of them in each circumstance.

E. Payment and Transfer Limitations

We reserve the right to limit the frequency and/or dollar amount of transfers and payments using the Services for security and regulatory reasons. Please be aware that federal regulation limits the frequency of certain types of transfers and withdrawals from savings and money market accounts and these transfers and withdrawals include online payments and transfers originated through the Services. Please refer to the terms and conditions, agreement and/or Fee Schedule applicable to your accounts for further details.

F. Dispute Resolution

Any disagreement between you and us that relate to any of the Services, this Agreement and any of your accounts are subject to the deposit, loan, credit, investment, brokerage or other agreements between you and us with respect to the account(s) in dispute.

G. Cancellation or Termination

You may terminate a Service at any time by giving notice of the termination to us in writing and paying any fees or charges due. We may terminate a Service in whole or in part upon notice to you at any time, with or without cause and without liability to you and without affecting your obligations under this Agreement. We may terminate a Service in whole or in part without notice or liability to you and without affecting your obligations under this Agreement, when, in our reasonable judgment we believe the Service is being misused or may be misused or the activity conducted is suspicious or the security or safety of a Service is in doubt. We may also terminate all or part of a Service, with or without notice to you, if you fail to access such Service for a period of at least six months. You may re-enroll for a Service by contacting our Client Service number associated with the Service. For further details regarding the impact of cancellation or termination on Bill Payment Service, see V. Bill Payment Service for CNB Online Banking and Direct Connect with Quicken below.

H. Data Storage

When you use a Service, you agree that we may record and store the information and electronic messages (e.g., email) you send to us through our website or the Services. We may store the information for such period as we shall determine without obligation to you.

I. Confidentiality

In general, we will not disclose information about your account or the transfers you make except when disclosure is necessary to complete a transfer; when disclosure is requested in order to verify the existence and condition of your account for a third party, such as a credit bureau or merchant; when disclosure is required to comply with government agency or court orders or is authorized or permitted by law; or when you give us your permission. If you defraud us in any way, we may disclose any information we have about you to third parties, including law enforcement authorities. See our Privacy Statement under the Privacy & Security section at cnb.com.

J. Access from Certain Countries Prohibited

We may not allow transactions to originate from or be sent to any country under sanctions by the U.S. government, including those designated by the U.S. Department of Treasury's Office of Foreign Assets Control (OFAC), or any other high-risk country as determined by us. You may wish to contact CNB prior to initiating a transaction to or from a foreign country to determine if that transaction will be completed by CNB. We may restrict or terminate your use of a Service if you attempt to access that Service from

any country under sanctions by OFAC. For additional information, visit the U.S. Department of Treasury website at www.treasury.gov/ofac.

K. New Features

We may, from time to time and in our sole discretion, introduce new features, or modify or delete existing features, to a Service. We will notify you of any new, modified or deleted features if we are required by law or regulation to do so. By using a Service after a feature has been added, modified or deleted, your use will be your agreement to any and all terms and conditions applicable to such feature.

L. Limitations of Liability; Indemnification

We shall indemnify and hold you harmless against any and all third party claims that your authorized use of the Services infringes or violates any U.S. patent, copyright, trade secret or other proprietary right of any third party. We shall defend and settle, at our sole expense, all suits or proceedings arising out of the foregoing, provided that you give us prompt written notice of any such claim and provided you reasonably cooperate with us and allow us to control the defense and settlement negotiations. We shall not enter into any settlement or compromise which creates any liability or obligation (whether legal or equitable) on your part without your prior written consent. In all events you shall have the right to participate in the defense of any such suit or proceeding through counsel of your own choosing and at your expense provided that our decisions with respect to the defense and settlement negotiations shall be final. If a Service, or any portion of the Service, is held, or in our reasonable opinion is likely to be held, to infringe or violate any U.S. patent, copyright, trade secret, or other proprietary right of any third-party, we may, at our option and sole expense, perform one of the following: (a) secure for you the right to continue use of such Service; (b) replace such Service with a substantially equivalent service not subject to such claim; or (c) modify the Service so that it becomes no longer subject to such claim. Notwithstanding the foregoing, we shall have no liability for any third-party claim of infringement based upon: (i) your failure to implement any change to the Service provided by us if such infringement would have been avoided by your implementation of such change; (ii) your operation or combination of the Service with a program, data, equipment, or documentation not recommended or provided by us, if such infringement would have been avoided but for such use; or (iii) your use of the Service in a manner beyond the scope of the Service if such infringement would have been avoided but for such use. The foregoing constitutes our entire liability and your sole and exclusive remedy with respect to any third-party claims of infringement of such intellectual property rights.

WE ARE NOT LIABLE AND, AS SUCH, EXPRESSLY DISCLAIM ANY AND ALL LIABILITY, FOR ANY LOSSES ARISING FROM THE USE (REGARDLESS OF WHETHER SUCH USE IS AUTHORIZED OR UNAUTHORIZED) OF YOUR SECURITY ITEMS, INCLUDING, WITHOUT LIMITATION, ANY LOSSES ARISING FROM THE THEFT OR COMPROMISE OF A SECURITY ITEM AND/OR A THIRD PARTY'S DUPLICATION AND/OR USE OF A SECURITY ITEM.

EXCEPT AS OTHERWISE REQUIRED BY APPLICABLE LAW, IN NO EVENT WILL THE TOTAL COLLECTIVE LIABILITY OF CNB, CNS AND THEIR AFFILIATES AND LICENSORS, AND IAND THEIR OFFICERS, DIRECTORS, SHAREHOLDERS, EMPLOYEES, AND AGENTS (COLLECTIVELY, THE "CNB PARTIES") TO YOU ARISING OUT OF OR RELATING IN ANY WAY TO THIS AGREEMENT OR ITS IMPLEMENTATION EXCEED THE GREATER OF THE TOTAL AMOUNT OF FEES PAID BY YOU TO US HEREUNDER OR FIVE HUNDRED UNITED STATES DOLLARS (US \$500).

EXCEPT AS OTHERWISE REQUIRED BY APPLICABLE LAW, IN NO EVENT WILL THE CNB PARTIES BE LIABLE TO YOU FOR ANY CONSEQUENTIAL, INCIDENTAL, INDIRECT, SPECIAL, EXEMPLARY, OR PUNITIVE DAMAGE, OR FOR ANY LOSS OF PROFITS, LOSS OF REVENUE, LOSS RESULTING FROM INTERRUPTION OF BUSINESS, OR LOSS, USE, AND/OR MISUSE OF DATA, ARISING OUT OF THE USE, MISUSE, OR INABILITY TO USE THE SERVICES, WHETHER OR NOT WE KNOW, HAVE REASON TO KNOW, HAVE BEEN ADVISED, OR ARE OTHERWISE IN FACT AWARE OF SUCH DAMAGE.

We shall be liable to you only for losses that result from our failure to exercise ordinary care or to act in good faith in providing the Services to you.

Except for any and all losses arising exclusively from our failure to exercise ordinary care or to act in good faith in providing the Services to you, and except to the extent prohibited by applicable law, you

agree to defend, indemnify and hold harmless CNB Parties from and against any and all losses arising out of and/or relating to your use of the Services. This indemnification obligation shall survive the expiration or earlier termination of this Agreement.

Balances and account activity are updated by 9:00 a.m. Pacific Time ("PT") every Business Day. To obtain a current version of the Adobe Reader Software, visit www.adobe.com.
- **Selecting Electronic Statements** - You will have the option to select electronic statements (i) in some cases, when initially enrolling in the Service, and (ii) in all cases, at any time after enrolling in the Service. You can change the election back to paper statements, or in some cases, both electronic and paper statements at any time. See "Discontinuing Electronic Statements" below.

Please note that after selecting the electronic statement delivery method for one or all accounts, you may continue to receive paper statements for one more statement cycle before we discontinue your paper statements. If you decide later to switch back to a paper delivery method, you will start receiving your paper statements on the next statement cycle.
- **Discontinuing Electronic Statements** - You may discontinue receipt of electronic statements for one account or all accounts at any time by changing your selection online. If you choose to discontinue the electronic statement service for one account or all accounts, you will begin receiving paper statements on the next statement cycle. - You may receive a paper copy of any Tax Document by contacting a Client Service Specialist.
- You may to discontinue receiving electronic Tax Documents at any time through the procedures set forth above. Withdrawal of consent to electronic delivery of Tax Documents will not affect Tax Documents previously provided electronically; such Tax Documents may continue to be provided online for the applicable posting period.
- The electronic delivery of Tax Documents may be terminated at any time by us. We may also make certain Tax Documents available electronically only for a limited time. Currently, most Tax Documents are available for 18 months beginning on January 31st or February 15th, as applicable.

You may sign up to receive certain types of event driven alerts (e.g., if a

credit limit is reached or exceeded, payment due reminder, etc.) by email for your credit card accounts. You may dispute posted transactions that appear on your account by clicking on the applicable link and submitting the requested information. Information on your rights to dispute transactions and how to exercise those rights is provided in your credit card account agreement.

If the account does not have sufficient available funds at the time of transfer, we may, at our sole discretion, elect to initiate or not to initiate one or more of the transfers. If we do choose to initiate the transfer, it may cause an overdraft in your account, in which case, you will be responsible for the overdraft and any related fees as set forth in the Account Agreement and Disclosures and applicable Fee Schedule(s).

4. **Rejected, Failed or Delayed External Transfers.**

a. A transfer will be returned if it cannot be successfully posted to your accounts. - To debit any of your internal accounts (including your jointly held accounts) to the extent necessary to offset any resulting deficiency.

We reserve the right to resubmit a debit (or portion thereof) in the event of an insufficient or uncollected funds return and if we cannot collect the amount credited, you authorize us to debit the credited or debited account.

You agree that we are not responsible for any delay, failure to execute or improper execution due to actions or omissions of third parties, including the other financial institutions, credit unions or brokerage companies where the external accounts are maintained, or for other circumstances beyond our reasonable control.

V. Bill Pay Service for CNB Online Banking and Direct Connect with Quicken

A. Account Requirements

Bill Pay Service is available through the CNB Online Banking Service or through the Direct Connect with Quicken Service. You may select either Service to provide your Bill Pay Services and each Service is subject to account eligibility requirements. The Bill Pay Service is restricted to only the personal or business checking accounts that meet the requirements for each Service. You cannot use savings or money market accounts to make bill payments.

B. Eligible Payees

With the Bill Pay Service, you may pay almost any person or merchant with an address in the U.S. While payments to most payees can be made using the Bill Pay Service, we reserve the right to refuse to make payments to certain payees. We recommend that you do not use Bill Pay Service to pay alimony, child support, tax and other court-directed or government payments, fines or penalties.

In addition, at no extra charge you may choose to receive e-bills. E-bills is a feature of the Bill Pay Service. E-bills are online versions of paper bills that you may receive, review, and pay through the Bill Pay Service. E-bills are available from a list of national and local companies - such as credit card companies, cable or satellite TV companies, utility companies and department stores.

1. Accessing E-bills - In some cases to access an e-bill on your behalf from a payee's website, you may be prompted during setup to enter login information such as your user ID and password from the payee's website. When you provide this information, you authorize us to access the payee's website for the purpose of retrieving only the account information on your behalf.

2. Delivery of E-bills - We are not responsible or liable to you if a payee does not provide the data necessary to forward an e-bill in a timely manner. If you don't receive an e-bill, it is your responsibility to contact the payee directly. We are not responsible for any late charges if an e-bill is not timely paid. Any questions regarding your bill details should be directed to your payee.

C. Payments

You can instruct us to make payments on any Business Day up to one year prior to the payment processing date. We may implement features within the Bill Pay Service to limit your ability to instruct us to process a non-recurring payment request more than one year in advance, or on a non-Business Day. We must receive your payment instructions before 6:00 p.m. Pacific Time, on any Business Day or your payment will be processed on the following Business Day. The dollar limit for bill payments is \$25,000.00 per day for any one payment and for the overall total of all payments on any given day unless we otherwise agree in writing. The dollar limit for bill payments made from Direct Connect with Quicken is \$10,000.00 per day for any one payment and for the overall total of all payments on any given day. For security purposes we may change bill payment limits from time to time. The payment address MAY be modified to accommodate special processing requirements. Even though many bill payments you originate are sent electronically to the payee, some bill payments are sent by paper

check via U.S. Mail. Your payment funding account will be debited for the amount of the payment when the draft check clears or at the time the electronic payment settles.

YOU MUST SCHEDULE OR TRANSMIT PAYMENT INSTRUCTIONS AT LEAST FIVE BUSINESS DAYS PRIOR TO THE DATE THE PAYMENT IS DUE AT YOUR PAYEE. WE ARE NOT RESPONSIBLE FOR MAIL DELAYS.

You can make the following types of bill payments with the Bill Pay Service:

1. Scheduled Payments - You can choose any Business Day as a processing date for your payments. You must schedule your payment processing date at least five Business Days before the payment is due as required by the payee. When scheduling your payment you should not include any grace period that the payee may allow.

2. Automated Recurring Payments through CNB Online Banking Services - Recurring payments allow you to request that payments that have a fixed frequency amount or amount established using an automatic payment rule option be processed on a recurring basis. Automatic payment rule options are available for payees activated for e-bills. You can set up automatic payment rules such as to pay the full amount billed, to pay the minimum amount due and more. Once you have sent us the request for a recurring payment, your payment will be made regularly by us without your further request. If your payment processing date falls on a non-Business Day, we may process your payment on our preceding Business Day or our following Business Day, at our option.

3. Repeating Online Payments through Direct Connect with Quicken - Repeating payments allow you to set up regularly scheduled payments within your Direct Connect with Quicken Service. These payments are generated regularly without your further action and are made whether or not you go online. In order to send these payments, you must submit the instructions through this Service at least seven days prior to the date of the first payment.

D. Cutoff Times

Bill payment requests received prior to 6:00 p.m. Pacific Time are processed on the Business Day of receipt. Any online payment request received after this time or on Saturdays, Sundays and holidays when we are closed will be processed on our next Business Day. Scheduled payments are processed after 6:00 p.m. Pacific Time, on Business Days.

E. Blocking the Service

We may block your access to the Bill Pay Service if a bill payment request may or does overdraw your account. If this occurs, call our Client Service Specialist number associated with the Service.

F. Canceling Online Bill Payments or Bill Pay Service

You may cancel any type of online bill payment (scheduled, future dated, or recurring) either online or by phone. All cancellation requests must be received by 6:00 p.m. Pacific Time, on the payment processing date.

You may cancel Bill Pay Service for some or all accounts eligible for the Service. To cancel Bill Pay Service, you must first cancel all pending bill payment requests (scheduled, future dated, and recurring) as stated above. After you have canceled all pending bill payments, call a Client Service Specialist to cancel your Bill Pay Service. Please note the following:

- If you call to cancel an online bill payment or to cancel your Bill Pay Service, we may also require you to put your request in writing.
- We may cancel your Bill Pay Service for inactivity or for other reasons as we determine.

After your Bill Pay Service is canceled, you will no longer have access to any Bill Pay Service features, including but not limited to, payee and prior bill payment information and you will be solely responsible for making alternative bill payment arrangements. If you close an account with us, the Bill Pay Service tied to that account, if any, will automatically be canceled as well and you will be solely responsible for making alternative bill payment arrangements.

G. Expedited Payments

1. Expedited Payment Service - As part of our online Bill Pay Services, we offer an Expedited Payment Service, to speed up the time it takes to get your Bill Pay payment to its recipient. The Expedited Payment Service is available as either an expedited electronic payment or an overnight check payment. You will be charged a Convenience Fee for the Expedited Payment Service, as disclosed when you initiate the payment.

2. General Description - You may use the Expedited Payment Service by selecting either an expedited electronic payment or an overnight check payment at the time you schedule your payment through our Bill Pay Service. Not all payment recipients are able to receive expedited electronic payments. If your payment recipient cannot receive your payment electronically, you will only be presented with the overnight check payment option. Your transaction will be completed in accordance with the delivery date presented when you initiate the payment (Delivery Date). You are solely responsible to provide accurate information on the delivery address for the payment and the account number or other information needed by the payment recipient in order to credit your account.

3. On Time Guarantee - In the event that an expedited electronic payment or overnight check payment is not delivered by the Delivery Date because of our fault, we will reimburse you for the Convenience Fee and any late payment fee assessed by the payment recipient and paid by you up to \$50.00 This guarantee does not apply if the Delivery Date presented when you initiate the payment is after the due date for the payment. We reserve the right to request documentation of any late payment fee for which you seek reimbursement.

4. Limitations - Availability of the Expedited Payment Service is limited based on payment recipient capabilities, time of day, payment delivery mechanisms and other factors. Overnight check payments are unavailable for delivery to PO Box addresses or locations in AK, HI, and any U.S. territory outside of the contiguous 48 states and District of Columbia, and for any foreign country. You are responsible to verify any address for overnight check payments to ensure the address is correct and is the valid overnight package delivery address of the payment recipient. We are not responsible for late delivery if you enter an undeliverable address for an overnight check payment. We are not responsible for errors made by you or the payment recipient. Due to the inherent need to expedite the payment, payment instructions will be completed promptly upon submission of a request from you. You will not have the ability to edit or cancel the payment instruction after you have confirmed the payment request.

VI. Additional Provisions Applicable Only to Users Accessing Business Accounts

A. Business Accounts

Business Accounts mean accounts established as sole proprietorships, partnerships, limited liability companies, corporations, and other forms of business organization that are not consumer accounts and are not maintained primarily for personal, family, or household purposes.

B. Limitation of Liability for Business Accounts

For Business Accounts using a Service, we are not responsible for any loss, injury, or damage, whether direct, indirect, special, consequential, exemplary, economic, or otherwise, caused by the Service or the use of the Service except as otherwise expressly provided for in this Agreement or by applicable law. By using a Service to access your Business Accounts, you are responsible for any unauthorized use of the Service and any loss or damages incurred due to the unauthorized access to your Business Accounts.

C. Transaction Activity Limits for Business Accounts

You may use a Service to access your Business Accounts provided the accounts do not exceed the following transaction activity limits:

- Greater than 200 debit items per monthly statement cycle.

If your transaction activity in any Business Account accessed through a Service exceeds these limits, we reserve the right to remove all your Business Accounts from the Service without prior notification to you. If your Business Account transaction activity should exceed these limits, please contact a Client Service Specialist for other online business banking options available to you.

D. Change in Business Account Ownership Notification

If any person authorized to conduct transactions through a Service on any Business Account is no longer authorized, it is your responsibility to notify us. We shall not be liable or responsible to you for any transactions conducted on a Business Account by any person whose authority to conduct transactions is no longer in effect until we are expressly notified.

VII. Additional Information and Security Statement

A. Client Service Hours

Client service for technical support is available 24 hours a day, seven days per week unless otherwise noted under the terms and conditions of the Service type in Section IV of this Agreement.

B. System Availability and Business Days

The Services are accessible 24 hours a day, seven days a week, except when the system is down for maintenance or unforeseen reasons beyond our reasonable control. Our Business Days are Mondays through Fridays except for bank holidays when we are closed.

Our firewall protects our systems by allowing entry only to those who are authorized.

For digital identity verification, we have a digital server certificate by Verisign that your browser uses each time you sign in to verify that you are connected to us.

C. Email

We collect and use your email address to deliver service notifications to you. You agree to maintain an active and updated email address at all times throughout the use of this service. If we contact you at the email address of record for this service, and the email is undeliverable due to an incorrect or obsolete email address, we may require you to update your email address in our system for future communications. If you select electronic delivery of account statements, we will send you email notification informing you of the availability of your statements, or other account servicing notifications, to your email address.

You can also contact us with inquiries, maintenance and/or problem resolution issues via email. Generally, email is not a secure method of communication. If the matter of the inquiry is urgent or involves sensitive information, please contact a Client Service Specialist.

D. Your Security Role to Protect Yourself

Your role in security is as important as ours. Here are some recommendations on how you can increase the privacy and security of the Services.

- You are responsible for the security and use of your user ID and password. Do not select a password that is easily guessed (e.g., birth date or spouse name). If you think your password has been compromised, change it immediately online. You should then verify that no unauthorized transactions occurred on your account.
- When you have completed your banking online, always remember to click "SIGN OUT" before visiting other Internet websites.
- If others use your computer, clear your cache or turn off and reinitiate your browser in order to eliminate copies of web pages that have been stored in your hard drive. See your browser's HELP section for instructions on how to clear the cache.
- Install and regularly update virus protection software.

E. The Browser

When using your browser to access a Service, the browser uses encryption technology that scrambles data to make it readable by the sender and designated receiver only. A key is required to decode the information.

When you request information about your accounts or loans, the encrypted request is sent to us or our service provider. We send our replies back to you in an encrypted format. Even though the information sent back and forth is encrypted, you will be able to read the data on your computer screen.

You are responsible for maintaining an updated version of your internet browser. If you need to upgrade your browser follow the simple instructions on how to do this located in the browser's HELP menu.

We review and approve the use of different browsers to ensure they meet our strict security standards. In addition to the required browser encryption, usernames or customer IDs and passwords or PINs are used as another feature to help ensure that your transactions on the Internet are safe and secure. When you log on to the Services, we authenticate you by your username/Customer ID and password/PIN. This information is known only by you and it is up to you to keep this information secure. If you think that your information has been compromised, you should immediately: 1) Change your password or PIN immediately; 2) contact a Client Service Specialist; and 3) check your account history for any unauthorized transactions.
