### CHECKING, MONEY MARKET, SAVINGS

#### Personal Checking Account

	<u>Balance</u>	<u>Charges and Fees</u>
Required opening deposit	\$1,000	
Average daily balance <sup>1</sup>	\$3,000	No monthly maintenance fee
If average daily balance is not met for the statement period		\$12 monthly maintenance fee

#### Personal Checking Plus Account

*Personal Checking Plus is a non-interest-bearing account that may be bundled with a savings or money market account.*

	<u>Balance</u>	<u>Charges and Fees</u>
Required opening deposit	\$1,000	
Minimum Qualification Balance	\$7,500	No monthly maintenance fee
If minimum Qualification Balance is not met for the statement period		\$25 monthly maintenance fee

#### Contributing Accounts

Contributing Accounts are accounts with the same primary ownership as the Personal Checking Plus Account. Contributing Account types include all non-analyzed personal savings and personal money market accounts.

#### Qualification Balance

The Qualification Balance is calculated three (3) Business Days prior to the end of each statement period of the Personal Checking Plus Account ("qualification date"). First, we determine the average daily balance to date of the Personal Checking Plus Account by adding each day's closing ledger balance, from the beginning of the statement period up to and including the qualification date and dividing by the number of days from the beginning of the statement period up to and including the qualification date. To that we add the average daily balance of each Contributing Account from each account's prior statement period.<sup>1</sup>

#### Benefits of a Personal Checking Plus Account

- No CNB fee for ATM withdrawals made at non-CNB machines.
- Waiver of up to three (3) ATM surcharges assessed by non-CNB ATM operators up to a maximum of \$15 per statement period. Please note that the ATM/Check Card International Transaction Fee is not a surcharge and is not included in the waiver of surcharges.
- CNB cashier's check with no fee.
- Waived the monthly maintenance fee for one (1) personal savings or money market account. The savings or money market account must be owned by the same individual who owns the Personal Checking Plus Account.

## Premium Checking Account

*The Premium Checking Account is an interest-bearing account with a unique variety of packaged benefits.*

	<u>Balance</u>	<u>Charges and Fees</u>
Required opening deposit	\$1,000	
Minimum Qualification Balance	\$50,000	No monthly maintenance fee
If minimum Qualification Balance is not met for the statement period		\$35 monthly maintenance fee

The Premium Checking Account is available to individuals (consumers) who agree that City National Bank (CNB) and City National Securities, Inc. (CNS) may share client information.<sup>2</sup>

### Contributing Accounts

Contributing accounts are accounts with the same primary ownership as the Premium Checking Account. Contributing account types include:

**Deposits:** All non-analyzed personal deposit accounts, excluding bankruptcy accounts, foreign or dual currency deposit accounts, health savings accounts and any accounts used for any other discount/combined balance program.

**Investment Accounts:** Managed investment accounts at CNB and brokerage accounts at CNS, including any CNB Investment Sweep Account.

#### ***Non-Deposit Investment Products:***

- **Are Not Insured by the FDIC.**
- **Are Not Deposits or Other Obligations of the Bank and Are Not Guaranteed by the Bank; and,**
- **Are Subject to Investment Risks, Including Possible Loss of the Principal Invested.**

### Qualification Balance

The Qualification balance is calculated three (3) Business Days prior to the end of each statement period for the Premium Checking Account ("qualification date"). First, we determine the average daily balance of the Premium Checking Account from the beginning of statement period by adding each day's closing ledger balance for each day in the statement period, from the beginning of the statement period up to and including the qualification date and dividing by the number of days from the beginning of the statement period up to and including the qualification date. To that we add the balance of each Contributing Account as follows:

**Deposits:** The average daily balance from the prior statement period<sup>1</sup> for qualifying checking, savings and money market accounts and the prior month-end principal balance of certificates of deposit.

**Investment Accounts:** The month-end market value of managed investment accounts at CNB and brokerage accounts at CNS and the average monthly balance of any CNB Investment Sweep Account.

### Benefits of the Premium Checking Account

- No CNB fee for ATM withdrawals made at non-CNB machines.
- No assessment of ATM surcharges assessed by non-CNB ATM operators. Please note that the ATM/Check Card International Transaction Fee is not a surcharge and is not included in the waiver of surcharges.
- CNB cashier's checks with no fee.
- Waived monthly maintenance fee for up to three (3) additional personal checking, savings or money market accounts. Additional accounts must be owned by the same individual who owns the Premium Checking Account.

- Tiered rate of interest.
- Printed City National Bank Logo Checks at no charge.
- \$50 credit toward the annual rental of a CNB safe deposit box, subject to availability. Your Premium Checking Account must be open at the time the safe deposit box is opened or renewed in order to receive the discount.
- Waiver of the first year's annual fee on a new Personal Line of Credit and a new Home Equity Line of Credit. Lines of credit are subject to credit approval.

### Personal Money Market Account

Paper statement fee <sup>3</sup> (no charge for electronic statements)		\$5 per month

See Transaction Limitation for Savings and Money Market Accounts below.

This account does not allow for payments or withdrawals by check. Withdrawals may be made at an ATM using your City National ATM or Visa® Check Card.

CNB will waive our fee on withdrawals made at non-CNB ATMs. CNB will pay all reasonable surcharges assessed by non-CNB ATM operators up to a maximum of \$20 per statement cycle. Amounts in excess of these limits will be charged to the account. Please note that the ATM/Check Card International Transaction Fee is not a surcharge and is not included in the waiver of surcharges.

## **TERMS AFFECTING ALL PERSONAL CHECKING, PERSONAL MONEY MARKET, AND PERSONAL SAVINGS ACCOUNTS**

### **Order of Posting**

At the end of each Business Day, we process and post all transactions that we received that day. Each type of transaction is assigned its own category that determines the sequence in which the transaction will be processed and posted. We generally post all deposits and credits to your account before we deduct any payments, fees or other debits. Unless otherwise specified below, we post all payments, fees or other debits within an individual category in ascending dollar amount order and then proceed to process and post all such debits in the next category in the same manner.

We generally process and post common debit transactions in the following order: 1) Transfers to another CNB account, including online banking transfers; 2) Overdraft fees, returned item fees, and automatic payments to a CNB loan; 3) Fees for requested services, such as stop payment orders; 4) Wire transfers and any related fees; 5) Preauthorized or scheduled debits to a third party, such as ACH payments and online bill payments; 6) Checks and in-person withdrawals are combined and processed as one category and, within the category, in-person withdrawals and checks without serial numbers are posted in ascending dollar amount order, followed by checks with serial numbers, which are posted in serial number order; 7) ATM and debit card transactions and any related fees; and 8) Monthly account maintenance and activity fees.

Please know that the law allows us to process your account transactions by any method and in any order that we consider reasonable. We may change the method or order at any time without notice to you.

### **Assessment of Overdraft/Insufficient Funds Fees**

Debits for which overdraft/insufficient funds fees can be assessed include any transaction presented for payment against an account (such as checks, ACH transactions, online or mobile payments, and returned deposited items) and the fees apply to all debits presented whether they are paid or returned. For consumer accounts, we do not assess a per-item overdraft/insufficient funds fee for an ATM or debit card transaction. Overdraft fees are not assessed on our fees and charges if the fees and charges create or increase an overdraft. However, a continuous overdraft fee may be assessed on any amount overdrawn, regardless of the cause of the overdraft.

### **Required Initial Deposits**

The required initial deposits stated may vary when accounts are established online and may also be waived or varied at the discretion of CNB.

## **Miscellaneous Assessments**

- An Early Account Closure fee will be assessed to accounts closed within 90 days from opening. A transfer to another CNB location is not a closure.
- CNB reserves the right to assess a fee to its depositors to pass through some or all of the fees provided by law assessed to CNB by government agencies and government-sponsored entities. The fee may vary and will appear on a statement as "Assessment Fee."
- Any Federal Reserve Bank large item charge for processing a check of \$1 million or more may be assessed.
- Any Internal Revenue Service charge for failing to provide an account taxpayer identification number may be passed through as a charge to the account or charged to you directly or to any other account of yours with us.

## **TERMS AFFECTING ALL PERSONAL INTEREST-BEARING CHECKING, SAVINGS, AND MONEY MARKET ACCOUNTS**

### **Interest on Funds**

- The interest rate and associated Annual Percentage Yield (APY) are established by CNB and may vary as often as daily. APY assumes no withdrawal of credited interest and no change in interest rate for a full year.
- For all interest-bearing checking and money market accounts, funds from items deposited other than cash or check(s) drawn on CNB begin to accrue interest on the Business Day CNB receives credit for the items (collected funds). Cash and funds from items drawn on CNB begin to accrue interest on the Business Day of deposit. Interest accrues daily and is compounded and credited on the last day of the statement period, but no more frequently than monthly.
- For savings accounts, funds from items deposited begin to accrue interest on the Business Day of deposit if deposited before our established cut-off time, or, if made later, on the next Business Day. Interest accrues and compounds daily and is credited on the last day of the statement period, but no more frequently than monthly.
- Your account must remain open through the time interest is credited to receive interest accrued.
- CNB calculates interest on a 365-day year basis using the daily balance method, by which the daily periodic rate is applied each day to the collected funds balance in the account after all transactions for the day are posted.
- As required by law, CNB reserves the right to require a seven- (7)-day written notice prior to the withdrawal or transfer of funds from these accounts. It is unlikely that such a requirement will be imposed.

All interest-bearing accounts are variable rate accounts unless otherwise specified in writing. At CNB's discretion, we may change the APY and interest rate on your account at any time without notice. The interest rate and APY for a particular type of account may differ depending upon the account balance. CNB may establish a rate and APY for two (2) or more balance ranges, or balance tiers, which may differ for each type of account. Two (2) or more tiers may be offered at the same rate. Tier rates may vary and may be higher or lower than a preceding tier. We may change tiers at any time without notice. The rate and APY for all balance tiers for an account type are disclosed at the time of account opening and are available upon request or at [cnb.com](http://cnb.com).

Except for Green Savings, the interest rate and APY assigned to the tier that corresponds to the entire balance for savings accounts and to the collected funds balance for interest-bearing checking and money market accounts will be applied to all such balances. For Green Savings, the rate and APY for each tier apply only to the portion of the account balance within that specified tier.

## **TRANSACTION LIMITATION FOR SAVINGS AND MONEY MARKET ACCOUNTS**

Federal regulations limit the total number of the following types of withdrawals or transfers from a savings or money market account to six (6) per monthly statement period:

- Check
- Overdraft protection transfer
- Debit card or ATM card purchase or payment
- Preauthorized transfer to another payee or institution, including ACH or wire transfer
- Online banking payment or transfer
- Mobile banking payment or transfer
- Automatic transfer to another City National Bank deposit account
- Telephone transfer

There is no limit to the number of the following types of transactions:

- In-person transaction
- Transaction made at an ATM
- Automatic transfer to make City National Bank loan payment
- Deposit of any kind into the account

We may charge an Excessive Transactions fee if you exceed the permissible number of transactions. If your account activity exceeds these limitations, we may close the account or convert it to another type of account. We count a transaction for this purpose as of the date we post it to your account, not as of the date you initiate it.

## **CERTIFICATES OF DEPOSIT**

### **Required Opening Deposit, Interest Rates, and Yields**

Refer to the Interest Rates Bulletin or [cnb.com](http://cnb.com) for the Certificate of Deposit account about which you have inquired or your deposit receipt. APY assumes interest remains on deposit for the term of the certificate.

### **Interest Payment**

CNB calculates interest on a 365-day year basis using the daily balance method by which the daily periodic rate is applied each day to the principal in the account. Interest begins to accrue on funds deposited on the Business Day of deposit, when made prior to our established cut-off time.

Certificate of Deposit accounts earn a simple rate of interest compounded only if and when interest is posted to the account. You may choose to have your interest posted monthly, quarterly, semiannually, or annually. For accounts with a term of less than one (1) year, you may also choose to have interest posted at maturity, in which case interest will not be compounded.

The interest rate quoted on your deposit receipt will remain in effect until the maturity of the account, unless otherwise specified in writing.

Interest may be withdrawn without penalty at any time prior to maturity after it is credited to the account. Any withdrawal will reduce earnings. At maturity, interest becomes principal.

### **Renewals**

A Single Maturity account does not automatically renew. Interest is **not** earned after maturity.

An Automatic Renewal account renews on its maturity date for the same period as originally selected unless CNB notifies you of a different term. If the certificate has a term of greater than one (1) month, CNB will notify you in advance of the renewal and will tell you when the rate will be known. The interest rate at renewal will be determined by CNB on or before the renewal date.

For certificates with a term of 32 days or more, you will have a 10-day grace period after the maturity date to advise us if you do not want the account to automatically renew or to withdraw funds without penalty. For certificates with a term of less than 32 days, the grace period will be one (1) Business Day, not to exceed four (4) calendar days. No interest is paid on funds withdrawn during the grace period. A withdrawal may affect your interest rate or maturity date. If the account is not automatically renewed, the funds on deposit will not earn interest after maturity.

### **Transaction Limitations**

No deposits to or withdrawals of principal may be made prior to maturity unless otherwise specified in writing. Interest credited to the account before maturity may be withdrawn without penalty. Interest becomes principal at maturity.

### **Penalty for Early Withdrawal**

If a withdrawal of principal is permitted, the following penalties may apply:

- For certificates issued for seven (7) to 31 days, the penalty is the greater of: (a) seven (7) days' interest, (b) all interest earned since the most recent issue or renewal date, or (c) all interest which could have been earned during one-half of the maturity period.
- For certificates issued for 32 to 179 days, the penalty is 30 days' interest.
- For certificates issued for 180 days to one (1) year, the penalty is 90 days' interest.
- For certificates issued for over one (1) year, the penalty is 180 days' interest.

For all certificates, each penalty is calculated on the amount withdrawn.

A penalty may be waived for certain reasons permitted by law, such as the death or legal incompetence of any owner.

### **Retirement Account Fees**

Deposits held in Individual Retirement Accounts or other tax-qualified plans are subject to the plan disclosure and plan withdrawal penalty stated in the disclosure when applicable. A Retirement Account Termination or Transfer Fee may apply when the plan and the accounts are terminated or transferred to another financial institution. For funds held in the plan as a Certificate of Deposit, a penalty for early withdrawal as described above also will apply.

## ADDITIONAL INFORMATION

Other fees may apply depending on the services used. Check with your CNB Relationship Manager for more information.

At CNB, every day is a "Business Day" except Saturdays, Sundays, and bank legal holidays even if we are open. We may establish cut-off times during each Business Day after which transactions presented are considered presented the next Business Day. As used in this Schedule, the term "CNB" includes "we," "us" and "our," and "you" and "your" means you, our client.

---

<sup>1</sup> Average daily balance determined by adding each day's closing ledger balance during the statement period and dividing by the number of days in that period.

<sup>2</sup> To administer the benefits of Premium Checking, account balance and other information (non-public personal information) is shared between CNB and CNS. By maintaining a Premium Checking account, you are opting in to this sharing. This applies, even if you elect to opt-out of other information sharing.

<sup>3</sup> Paper statement fee will be assessed if a periodic statement is produced and mailed by City National Bank.
